~~Bangalore~~ 11th August 1868

From

H J BHABHA Esq,

Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore
in the General and Revenue Dept,
Bangalore

SIR

I have the honour to inform you that the Deputy Inspector of Schools Kolar reports that the people of Masti in the Malur Taluk who are desirous of having their children educated in English had ~~twice~~ on two former occasions opened a private English School in their village and were obliged to close it for want of funds. They have now for the third time opened it, and it has been in existence since February last. There were 28 pupils on the roll of the school in the month of April who were classified thus — IV Anglo Vernacular Class 2, III 4, II 6, and I 16. The people have employed a matriculated teacher and state that the assistance of an additional hand is also needed as the strength of

the school is increasing and one master cannot manage all the four classes. They have collected a sum of Rs 180 being half the cost of the school for one year - I beg to recommend that a monthly grant of Rs 15 may be kindly sanctioned for a year from the 1st September 1898 in aid of the school - The establishment charges of the school will be as follow -

Head Master	15
Assistant "	10
Sweeper	2
House-rent	2
Contingent allowance	1
Total	Rs 30

The people have secured a spacious and well ventilated house for the school and have made the present application for a grant from the Village School Fund in accordance with the Government Order No 162-172½ Ed II dated 4th July 1896

I have the honour to be,
Sir,
Your most obedient servant,

H G Bhabha
